Hello from Sierra Rescue!

This Boater Safety Workshop is being specially offered for whitewater enthusiasts. The class will feature some of the latest in river safety, proper gear usage, rescuing gear and many of the challenges faced by whitewater boaters today. Activities will be oriented towards developing good judgment and criteria for safety, as well as developing skills in moving water.

Class Times: 8:30am – 5:30pm

MEETING TIME AND PLACE!

8:30 AM SHARP: We will meet at the Mother Lode River Center in Coloma, CA. We will meet at the picnic tables in the morning for introductions and paperwork and then move to the river. We will be in the water all day; so please be prepared.

When you arrive at the Mother Lode River Center, please keep to the left. Drive through the parking lot and down the hill towards the river. Once you reach the river, you will continue upstream until you see our vehicle. This is called the Upper Kitchen. We will meet at the picnic tables in the morning for introductions and paperwork and then move to the river. We will be in the water all afternoon; so please be prepared to get in the water the first day.

When driving from Sacramento:

Go East on Highway 50. Exit at the N. Shingle Springs/Ponderosa Road off ramp. At the top of the off ramp turn left and go over the freeway. Take the first available right turn onto N. Shingle Road. In approximately 4.5 miles this road turns into Lotus Rd. (you will probably not even know it when it happens). Stay on Lotus Rd until it dead ends at Hwy. 49 (approx. 5 miles). Turn left onto Hwy 49 and you will cross over the South Fork of the American River. Mother Lode Camp is located on the left side of Hwy. 49, 2.3 miles from this bridge and opposite County road marker 26.51. Our physical address is 6280 Hwy 49. Approx. driving time is 1 hr from Sacramento.

- Drysuit or Full Wetsuit! (Drysuits are always recommended because we spend so much time getting in and out of the water and the weather is always variable)
 - Drysuits can be rented from:pacificriversupply.com. Pacific River Supply will ship you the drysuit by UPS and you only pay for the days you use it. Great and easy option.
 - The River Store (530-626-3435) in Lotus, CA. This is a 5 minute drive from the training site. If you can pick them up the night before that's great! Otherwise, you can pick them up the morning of class AFTER you check-in for the course.
- PFD Type 3 or Type 5 with whistle and knife (knife optional)
- Helmet: Lightweight swiftwater or climbing helmet.
- Hard soled wetsuit booties or good shoes for walking in the river
- Lunch, snacks and water!
- Extra warm clothes

FULL IMMERSION!

Please plan on very active day! We integrate the classroom materials throughout the course and you will be in the water a lot during the class. We will make the course as much scenario and case study based as possible. Please feel free to let us know what is most important to you as we go through the training and we will make it as relevant as possible to your whitewater interest.
